Taking the Gospel to Australia

November 2011

Dear Friend,

In October we had our annual Friend Day and were blessed with many visitors. Our attendance swelled to over twice what we normally have! Even my barber came. While none made professions of faith on the day, I've since had opportunity to share the gospel again with some who visited. One lady that I've been inviting along for several years came for the very first time. However, when I visited her this week she was very abrupt with me, saying she didn't think she wanted to go to a church that teaches Jesus is the only way. Of course, Jesus is exactly who she needs! Please pray for Nikki to come under conviction and turn to Christ. Please pray also for Clifford, Manu (lady), John, Doreen and Diane. The last two live in homes on either side of our church building. They are great neighbours and we would really love to see them saved and following the Lord.

Thank you for praying for us. We appreciate your faithfulness. We are healthy and safe. God bless you as you serve Him.

In Christ,

Bill & Doyla Bramblet
